

THE ALIEN AUTOPSY

The Alien Autopsy is a full-on SFX recreation of an Alien Autopsy - identical to the Ray Santilli "Alien Autopsy" fake video that was released to the world a few years back. Recently the subject of a film of the same name starring Ant and Dec...

We build and destroy a whole Alien body especially for each show

The actual alien is a full-scale latex model filled with lots of juicy organs and gore, just waiting to be disembowelled before your very eyes. Eyes are removed, cranium opened with bone saw and brain scooped out - and finally the intestines. Body parts are then thrown to the audience as souvenirs!
